*"It may be that it is the obnoxious thing in its mildest and least repulsive form; but illegitimate and unconstitutional practices get their first footing in that way, namely, by silent approaches and slight deviations from legal modes of procedure. This can only be obviated by adhering to the rule that constitutional provisions for the security of person and property should be liberally construed. A close and literal construction deprives them of half their efficacy, and leads to gradual depreciation of the right, as if it consisted more in sound than in substance. It is the duty of courts to be watchful for the constitutional rights of the citizen, and against any stealthy encroachments thereon."*  
[Boyd v. United States, 116 U.S. 616, 635, 29 L.Ed. 746, (1886)]

*"The idea prevails with some, indeed it has found expression in arguments at the bar, that we have in this country substantially two national governments; one to be maintained under the Constitution, with all of its restrictions; the other to be maintained by Congress outside the independently of that instrument, by exercising such powers [of absolutism] as other nations of the earth are accustomed to.. I take leave to say that, if the principles thus announced should ever receive the sanction of a majority of this court, a radical and mischievous change in our system of government will result. We will, in that event, pass from the era of constitutional liberty guarded and protected by a written constitution into an era of legislative absolutism.. It will be an evil day for American liberty if the theory of a government outside the supreme law of the land finds lodgment in our constitutional jurisprudence. No higher duty rests upon this court than to exert its full authority to prevent all violation of the principles of the Constitution."*  
[Downes v. Bidwell, 182 U.S. 244 (1901)]

## **1 Introduction**

Since 1909, there has been a concerted, systematic effort by members of the legal profession to transform what started out as a constitutional government into essentially a for-profit private corporate monopoly. That transformation is largely complete and has occurred in small steps that have largely been ignored and overlooked by the average American. The methods of transformation are not taught in any of the history books or even in law school curricular. The implications of this transformation are vast and far-reaching and affect every aspect of life as we know it today here in America. In fact, we allege that:

1. What most people call "government" is now nothing but a giant private corporate monopoly which violates the Sherman Antitrust Act.
  - 1.1. We call this corporate monopoly "CorpGov" within this document.
  - 1.2. All of its activities are perpetuated through "adhesion contracts" forced upon the populace by:
    - 1.2.1. Privatized enforcement agents in the private sector.
    - 1.2.2. A virtual monopoly in the services it offers
2. The original republican government which was created by the Constitution:
  - 2.1. Went bankrupt in 1933 when lawful money was outlawed.
  - 2.2. Is now effectively disestablished for all intents and purposes.
  - 2.3. Has been replaced with a legislative socialist democracy which is a political, corporate, and not geographic entity functioning entirely and only through your right to contract.
3. States of the Union mentioned in the Constitution have become private, for profit federal corporations.
  - 3.1. This corporation is a "virtual state" within a geographical state and a political and legal body but not a territorial body.
  - 3.2. This corporation is founded on the constitutions enacted by states of the Union after the Civil War, in which the boundaries of the states were omitted.
  - 3.3. This corporation is called the "State of \_\_\_\_\_" rather than simply the name of the state.
  - 3.4. Those who are "citizens" or "residents" of this state are actually de facto officers of the corporation.
  - 3.5. The term "residence" really means a position of employment within this corporation, and not physical presence within a geographic entity. All "residents" are federal contractors rather than members of a body politic.
  - 3.6. The term "State" in most state law has been redefined to mean federal territory within the exterior borders of the state:

*California Revenue and Taxation Code*

*6017. "In this State" or "in the State" means within the exterior [outside] limits of the [Sovereign] state of California and includes [only] all territory within these limits owned by or ceded to the United States*

17018. "State" includes the District of Columbia, and the possessions of the United States.

4. All the services offered by the original government have been systematically replaced with STATUTORY "franchises", all of which require a mandatory fee paid either directly or indirectly.
  - 4.1. Only those who become "employees" or "officers" of the corporation can partake of any of the "benefits" of these franchises.
  - 4.2. The definition of "employee" found in 5 U.S.C. §2105 confirms that all "employees" under 5 U.S.C. are in fact "public officers".
5. What used to be CONSTITUTIONAL "citizens" and "residents" and "inhabitants" are all now synonymous with:
  - 5.1. STATUTORY "employees" or "officers" of the "United States" federal corporation.
  - 5.2. "customers" of the private, legislatively foreign, for profit federal corporation.
  - 5.3. Statutory artificial "persons" domiciled on federal territory not protected by the Constitution.
6. PRIVATE Human beings have been replaced with a PUBLIC "straw man":
  - 6.1. The "straw man" is a public office in the government.
  - 6.2. The human being is a public officer and surety for the actions of the office he occupies, which is a government franchise.
  - 6.3. The application for the benefit or franchise established a partnership between the U.S. Inc. federal corporation, which is a public office, and the human being filling the office. The only human beings subject to governmental civil law are those who consent to exercise agency on behalf of the government. Those people are mentioned in 26 U.S.C. §6671(b) and 26 U.S.C. §7343.
  - 6.4. "Sui juris" status has been replaced with "pro per" and "pro se" because the human being has to "represent" the straw man and the public office that is his statutory interface to CorpGov.

*"Sui juris. Of his own right; possessing full social and civil rights; not under any legal disability, or the power of another, or guardianship. Having capacity to manage one's own affairs; not under legal disability to act for one's self."*  
[Black's Law Dictionary, Sixth Edition, p. 1434]

The existence of the "straw man" is exhaustively proven in:

[Proof That There Is a "Straw Man", Form #05.042](http://sedm.org/Forms/FormIndex.htm)  
<http://sedm.org/Forms/FormIndex.htm>

7. Private rights, private property, and personal responsibility have been effectively outlawed, for all intents and purposes because:
  - 7.1. All options for selecting one's status on government forms include only statutory public entities and not private human beings. There are no nontaxpayer or private human being options on government forms, for instance.
  - 7.2. De facto government FRAUD and propaganda cause financial institutions and private employers to unlawfully and criminally compel the use of government identifying numbers. All such numbers may only lawfully be used in connection with a public office in the U.S. government, and hence, everyone is compelled to occupy a public office and to surrender their private status.
  - 7.3. All remedies for the protection or private rights and private property have been carefully hidden and/or eliminated entirely. For instance:
    - 7.3.1. Common law remedies for the protection of private rights are actively interfered with and penalized by de facto franchise judges.
    - 7.3.2. Constitutional courts have been replaced with legislative franchise courts.
    - 7.3.3. Members of the legal profession are no longer taught about common law remedies, eliminating the ability of anyone to hire an attorney to implement them.
  - 7.4. The filing of knowingly false information returns connecting otherwise private property and private rights to a public office in the U.S. government are encouraged by FRAUD and protected by de facto officers of the de facto government.
  - 7.5. There is no method to have a government identifying number as a nontaxpayer or "non-resident non-person". All numbers offered are only for "taxpayers", which is why they are called "Taxpayer Identification Numbers". IRS refuses to allow people to change the number to that of a nontaxpayer.
  - 7.6. Enforcement penalties that may only lawfully be imposed upon statutory public officer franchisees called "taxpayers" are unlawfully applied to "nontaxpayers" who are private persons not subject to federal jurisdiction, making it impossible to survive as or be recognized as a private human being. See Form #05.010.

For a complete description of the illegal methods of destroying the PRIVATE and eliminating the separation between PUBLIC and PRIVATE, see:

*Separation Between Public and Private*, Form #12.025

<http://sedm.org/Forms/FormIndex.htm>

8. Those who refuse to become STATUTORY government “employees” or “officers” of the CorpGov or refuse to participate in government franchises:

8.1. Have no legal existence and no protection for any of their rights in any of CorpGov’s “franchise courts”.

8.2. Become the illegal target of enforcement actions and are unlawfully terrorized and penalized by the high cost of litigation for insisting that their rights be protected and respected.

8.3. Are unlawfully compelled to participate in the franchise by third party FALSE information returns connecting them to a public office in the corporation. See:

*Correcting Erroneous Information Returns*, Form #04.001

<http://sedm.org/Forms/FormIndex.htm>

8.4. Are unlawfully compelled to participate in franchises by third party FALSE Currency Transaction Reports (CTRs) connecting them to a public office in the corporation. See:

*Demand for Verified Evidence of “Trade or Business” Activity: Currency Transaction Report*, Form #04.008

<http://sedm.org/Forms/FormIndex.htm>

8.5. Are effectively punished by being deprived of a legal remedy in courts of justice. Most courts have security checkpoints that require government ID that connects you to franchises and Social Security Numbers in order to even enter the court building.

8.6. Are effectively punished by being deprived of a means to conduct commerce where they live, because the government refuses to issue ID to either nonresidents or those without government identifying numbers. Financial institutions will not open accounts for those who don’t have government ID. See:

*Why Domicile and Becoming a “Taxpayer” Require Your Consent*, Form #05.002, Section 13

<http://sedm.org/Litigation/LitIndex.htm>

9. The court system has been replaced with “franchise courts” and what started out as Constitutional judges have now become franchise administrators serving in the Executive Branch of the government:

9.1. Judges are no longer impartial, because they participate in the franchises that they officiate over. This is a CRIME in violation of 18 U.S.C. §208 and a conflict of interest in violation of 28 U.S.C. §§144, and 455.

9.2. Franchise administrators called “judges” routinely commit “judicial verbicide” to perpetuate the sham “public trust” they administer by abusing “words of art” and deliberate vagueness in their rulings. See the following tool which you can attach to your pleadings to prevent this sort of abuse:

*Rules of Presumption and Statutory Interpretation*, Litigation Tool #01.006

<http://sedm.org/Litigation/LitIndex.htm>

9.3. The separation of powers between the judicial branch and other branches has been completely destroyed because constitutional judges are no longer necessary in a community comprised exclusively of “franchisees” in receipt of government privileges.

For further details on the above, see:

*What Happened to Justice?*, Form #06.012

<http://sedm.org/Forms/FormIndex.htm>

10. What used to be called “money” is now just a corporate bond or promissory note backed by nothing and which can only be paid to or used by “officers of the corporation” called “public officers”. A “public officer” in law is, after all, someone who manages the property of the public and the corporate bond is considered property. See:

*The Money Scam*, Form #05.041

<http://sedm.org/Forms/FormIndex.htm>

11. The income tax system has become a compelled franchise:

11.1. It’s main goal is to redistribute wealth according to public policy and political whim and to regulate the supply of fiat currency.

11.2. It doesn’t pay for government services, but rather subsidizes political favors which benefit only those who patronize and subsidize CorpGov.

11.3. It is implemented as a “public officer kickback program” in which officers of the corporation rebate a portion of their pay back to the mother corporation. See *Great IRS Hoax*, Form #11.302, Section 5.6.10.

11.4. False information returns and government propaganda are used to compel people to participate in this franchise.

12. Banks, financial institutions, and private employers have become the main method to recruit people into public office within the mother de facto “state of” federal corporation:

12.1. This is called “privatized enforcement”. Others call it “corporate fascism”.

12.2. The method of recruitment is the compelled use of Social Security Number and Taxpayer Identification Number in order to work, engage in commerce, or open an account. See:

*About SSNs and TINs on Government Forms and Correspondence*, Form #05.012  
<http://sedm.org/Forms/FormIndex.htm>

12.3. These institutions refuse to recognize that businesses and individuals either are or can be statutory “non-resident non-persons” not engaged in the “trade or business” franchise who have no need for a number and no tax liability even though the law allows for it. See:

*Non-Resident Non-Person Position*, Form #05.020  
<http://sedm.org/Forms/FormIndex.htm>

12.4. The federal government has become a big “Kelley Girl” to sell your labor as an officer of Uncle to private employers. Everyone who signs an IRS Form W-4 works for the government instead of their private employer.

12.5. “Selective enforcement” by the IRS and Department of Justice is the main mechanism that keeps these institutions in fear and which causes them to continue to act as compelled employment (public officer) recruiters for the federal government. The failure and absolute refusal of the Department of Justice and the IRS to prosecute private employers or financial institutions who file false information returns or compel use of identifying numbers is what causes them to continue being compelled employment recruiters for the government as a method of risk avoidance.

13. The notion of equal protection which is the foundation of the United States Constitution has now been rendered largely irrelevant, because:

13.1. Equal protection does not constrain the administration of any franchise. By that we mean PRIVATE, non-resident, non-franchisees aren’t recognized or protected AT ALL.

13.2. All slaves on the federal plantation are, in fact “equal”, but they are still slaves of the government.

13.3. The government they allegedly “created” as “We the People” is no longer one of delegated powers, but a “*parens patriae*” and a pagan deity that is far more “equal” than any of the people it derives its alleged authority from.

For details, see:

*Requirement for Equal Protection and Equal Treatment*, Form #05.033  
<http://sedm.org/Forms/FormIndex.htm>

14. The term “general welfare” found in the Constitution has been redefined by the U.S. Supreme Court in the 1930’s to imply the ability of the national government to offer and enforce national franchises and “benefits” within CONSTITUTIONAL states of the Union.

14.1. These cases are called the “switch in time” cases. See:

14.1.1. *United States v. Butler*, 297 U.S. 1, 56 S.Ct. 312 (1936).

14.1.2. *Helvering v. Davis*, 301 U.S. 619, 57 S.Ct. 904.

14.1.3. *Chas. C. Steward Mach. Co. v. Davis*, 301 U.S. 548, 57 S.Ct. 883 (1937).

14.1.4. *Ashwander v. Tennessee Valley Authority*, 297 U.S. 288, 56 S.Ct. 466 (1936).

14.2. The franchise statutes (e.g. Social Security, etc) STILL reflect that such franchises can only be offered on federal territory to those DOMICILED on federal territory.

14.3. The geographical limitations of these statutes are being ILLEGALLY circumvented through the following methods:

14.3.1. Equivocation and deception, federal territory and constitutional states are made to appear equivalent by corrupt courts and judges with a criminal financial conflict of interest.

14.3.2. Financial coercion, people who sign up for these “benefits” in a constitutional state, are PRESUMED to consent and switch their effective domicile and choice of law to federal territory. This is IN SPITE of the fact that the Declaration of Independence says their rights are “INALIENABLE”, meaning INCAPABLE of being bargained away. The Declaration of Independence is ORGANIC law appearing in the first official act of Congress, and it is routinely being violated every time franchises are offered or enforced in a CONSTITUTIONAL state.

See the following document that proves these assertions:

*U.S.A. v. U.S.*, Richard Dwight Kegley, TJ Henderson, Edward Wahler, HKW Publishers  
<http://usofavus.com>

15. The legal profession has been turned into a franchise and become a subsidiary of CorpGov through licensing to practice law.

15.1. Attorney licensing is only intended to regulate attorneys who manage or protect PUBLIC property, but it is being abused to regulate the management of ALL property.

15.2. Attorneys with a law license have a financial conflict of interest in the case of anyone seeking to protect PRIVATE rights because their first allegiance is to the GOVERNMENT and not their CLIENT.

- 15.3. This ability to regulate the legal profession has become the main method by which attorneys who discover the truths documented herein are effectively “gagged” and discredited by pulling their license and rendering them poor and unable to practice law.
16. The distinction between the DE FACTO corporate government and the DE JURE CONSTITUTIONAL governments are being carefully concealed using the following techniques of deception:
- 16.1. Equivocation, in which the DE FACTO and DE JURE state are made indistinguishable.
- 16.2. Abuse of the words “includes” and “including” to extend the jurisdiction of the DE FACTO corporation into the DE JURE constitutional territory.
- 16.3. Confusion of geographical and citizenship terms to make the DE FACTO and DE JURE appear indistinguishable.
- 16.4. Hiding or removing definitions in the statutes that would clarify the distinction.
- The above techniques are exhaustively described in:

[Legal Deception, Propaganda, and Fraud](http://sedm.org/Forms/FormIndex.htm), Form #05.014  
<http://sedm.org/Forms/FormIndex.htm>

Welcome to the matrix, Neo! That matrix is described in the following FASCINATING video:

[It's An Illusion](https://youtu.be/spf4d6pG7ek), John Harris  
<https://youtu.be/spf4d6pG7ek>

If you would like to see graphically how the above occurred, read the following succinct article:

[How Scoundrels Corrupted Our Republican Form of Government](http://famguardian.org/Subjects/Taxes/Evidence/HowScCorruptOurRepubGovt.htm), Family Guardian Fellowship  
<http://famguardian.org/Subjects/Taxes/Evidence/HowScCorruptOurRepubGovt.htm>

Understanding how these transformations occurred is important to the historian and also provides a valuable tool for the freedom fighter in defending his or her PRIVATE rights in court. We will provide all the evidence we have found here in order to help those who want to effectively use these materials in court.

## **2 Corporation Franchises are the main method of transforming a Free Society into a Collectivist Society**

The heart of every kind of corrupt, fascist, or totalitarian governmental system is collectivism. Here is the definition of collectivism:

*“Collectivism: a political or economic theory advocating collective control [e.g. OWNERSHIP] esp. over production and distribution or a system marked by such control.”*  
*[Webster’s Ninth New Collegiate Dictionary, 1983, ISBN 0-87779-510-X, p. 259]*

*“Collectivism is any philosophic, political, religious, economic, or social outlook that emphasizes the interdependence of every human. Collectivism is a basic cultural element that exists as the reverse of individualism in human nature (in the same way high context culture exists as the reverse of low context culture). Collectivist orientations stress the importance of cohesion within social groups (such as an “in-group”, in what specific context it is defined) and in some cases, the priority of group goals over individual goals. Collectivists often focus on community, society, nation or country. It has been used as an element in many different and diverse types of government and political, economic and educational philosophies throughout history and most human societies in practice contain elements of both individualism and collectivism. Some examples of collectivist cultures include Pakistan, India and Japan.*

*Collectivism can be divided into horizontal (or egalitarian) collectivism and vertical (or hierarchical) collectivism. Horizontal collectivism stresses collective decision-making among equal individuals, and is thus usually based on decentralization and egalitarianism. Vertical collectivism is based on hierarchical structures of power and on moral and cultural conformity, and is therefore based on centralization and hierarchy. A cooperative enterprise would be an example of horizontal collectivism, whereas a military hierarchy would be an example of vertical collectivism.<sup>[1]</sup>*
