DEDICATION

"And I heard another voice from heaven [God] saying, 'Come out of her [Babylon the Great Harlot, a democratic, rather than republican, state full of socialist non-believers], my people [Christians], lest you share in her sins, and lest you receive of her plagues.'"

[[Revelation 18:4](#), Bible, NKJV]

"And have no fellowship [for association] with the unfruitful works of [government] darkness, but rather reprove [rebuke and expose] them."

[[Eph. 5:11](#), Bible, NKJV]

"Come out from among them [the unbelievers and government idolaters]

And be separate, says the Lord.

Do not touch what is unclean,

And I will receive you.

I will be a Father to you,

And you shall be my sons and daughters,

Says the Lord Almighty."

[[2 Corinthians 6:17-18](#), Bible, NKJV]

"Where do wars and fights come from among you? Do they not come from your desires for pleasure [unearned money from the government] that war in your members [and your democratic governments]? You lust [after other people's money] and do not have. You murder [the unborn to increase your standard of living] and covet [the unearned] and cannot obtain [except by empowering your government to STEAL for you!]. You fight and war [against the rich and the nontaxpayers to subsidize your idleness]. Yet you do not have because you do not ask [the Lord, but instead ask the deceitful government]. You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. Adulterers and adulteresses! Do you not know that friendship with the world [or the governments of the world as a "citizen", "resident", "taxpayer"] is enmity with God? Whoever therefore wants to be a friend of the world [or the governments of the world] makes himself an enemy of God."

[[James 4:4](#), Bible, NKJV]

"And I saw the beast, the kings [heathen political rulers and the unbelieving socialist democratic majorities who control them] of the earth [controlled by Satan], and their armies, gathered together to make war against Him [God] who sat on the horse and against His army."

[[Revelation 19:19](#), Bible, NKJV]

“You shall not make for yourself a carved image—any likeness of anything [a legal “person”, which is a LIKENESS or an EFFIGY of a “human being”] that is in heaven above [your body is a temple and a church per 1 Cor. 6:19], or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them [as PUBLIC OFFICERS]. For I, the LORD your God, am a jealous God, visiting the iniquity of the fathers upon the children to the third and fourth generations of those who hate Me, but showing mercy to thousands, to those who love Me and keep My commandments.”
[Exodus 20:4-6, Bible, NKJV]

“You shall make no covenant [contract or franchise] with them [foreigners, pagans], nor with their [pagan government] gods [laws or judges]. They shall not dwell in your land [and you shall not dwell in theirs by becoming a “resident” or domiciliary in the process of contracting with them], lest they make you sin against Me [God]. For if you serve their [government] gods [under contract or agreement or franchise], it will surely be a snare to you.”
[Exodus 23:32-33, Bible, NKJV]

“I [God] brought you up from Egypt [slavery] and brought you to the land of which I swore to your fathers; and I said, ‘I will never break My covenant with you. And you shall make no covenant [contract or franchise or agreement of ANY kind] with the inhabitants of this [corrupt pagan] land; you shall tear down their [man/government worshipping socialist] altars.’ But you have not obeyed Me. Why have you done this?

“Therefore I also said, ‘I will not drive them out before you; but they will become as thorns [terrorists and persecutors] in your side and their gods will be a snare [slavery!] to you.’”

So it was, when the Angel of the LORD spoke these words to all the children of Israel, that the people lifted up their voices and wept.
[Judges 2:1-4, Bible, NKJV]

1 Introduction

“When the legislative and executive powers are united in the same person, or in the same body of magistrates, there can be no liberty.”

[*The Spirit of Laws*, Charles de Montesquieu, <http://famguardian.org/Publications/SpiritOfLaws/sol-02.htm>]

This memorandum of law will:

1. Describe the purpose and history of the separation of powers doctrine as the foundation for our Republican form of government.
2. Provide evidence which demonstrates the various ways that it has been systematically undermined and maliciously destroyed by our political leaders and public servants in the Legislative, Executive, and Judicial branches of the government.
3. Provide a high level overview of how all of the efforts to systematically destroy the separation of powers have produced a New American Civil Religion of Socialism within our society.
4. Describe biblical reasons why Christians cannot participate in the current form of government and must divorce the corrupted pagan society we live in.
5. Provide evidence supporting the conclusion that the founding fathers anticipated and expected all the usurpations described in this document and warned us well in advance of their occurrence. These predictions have, in fact, furnished a road map for our public servants to destroy our system of government.

The notion of separation of powers is the foundation of our “republican form of government”. The only mandate found in the Constitution is the one requiring the federal government to guarantee to every state of the Union a “republican form of government”:

Constitution, Article 4, Section 4.

The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic Violence.

Separation of powers implements the following political principle:

Subsidiarity is an organizing principle of decentralisation, stating that a matter ought to be handled by the smallest, lowest, or least centralised authority capable of addressing that matter effectively. The Oxford English Dictionary defines subsidiarity as the idea that a central authority should have a subsidiary function, performing only those tasks which cannot be performed effectively at a more immediate or local level. The concept is applicable in the fields of government, political science, neuropsychology, cybernetics, management and in military command (Mission Command). In political theory, subsidiarity is sometimes viewed as a principle entailed by the idea of federalism.

[Wikipedia: “Subsidiarity” (6/6/2014), SOURCE: <http://en.wikipedia.org/wiki/Subsidiarity>]

Alexis de Tocqueville's classic study, *Democracy in America*, may be viewed as an examination of the operation of the principle of subsidiarity in early 19th century America. De Tocqueville noted that the French Revolution began with "a push towards decentralization...in the end, an extension of centralization."¹ And he wrote that "Decentralization has, not only an administrative value, but also a civic dimension, since it increases the opportunities for citizens to take interest in public affairs; it makes them get accustomed to using freedom. And from the accumulation of these local, active, persnickety freedoms, is born the most efficient counterweight against the claims of the central government, even if it were supported by an impersonal, collective will."²

The term "subsidiarity" is also used to refer to a tenet of some forms of conservative or libertarian thought in the United States. For example, conservative author Reid Buckley writes:

¹ Vivien A. Schmidt, *Democratizing France: The Political and Administrative History of Decentralization*, p. 10.

² A History of Decentralization, Earth Institute of Columbia University, accessed 4 February 2013.

Will the American people never learn that, as a principle, to expect swift response and efficiency from government is fatuous? Will we never heed the principle of subsidiarity (in which our fathers were bred), namely that no public agency should do what a private agency can do better, and that no higher-level public agency should attempt to do what a lower-level agency can do better – that to the degree the principle of subsidiarity is violated, first local government, the state government, and then federal government wax in inefficiency? Moreover, the more powers that are invested in government, and the more powers that are wielded by government, the less well does government discharge its primary responsibilities, which are (1) defence of the [commonwealth](#), (2) protection of the rights of citizens, and (3) support of just order.³

The [United Nations Development Programme](#)'s 1999 report on decentralisation noted that subsidiarity was an important principle. It quoted one definition:

Decentralization, or decentralising governance, refers to the restructuring or reorganisation of authority so that there is a system of co-responsibility between institutions of governance at the central, regional and local levels according to the principle of subsidiarity, thus increasing the overall quality and effectiveness of the system of governance, while increasing the authority and capacities of sub-national levels.⁴

According to Richard Macrory, the positive effects of a political/economic system governed by the principle of subsidiarity include:⁵

1. Systemic failures of the type seen in the crash of 2007/8 can largely be avoided, since diverse solutions to common problems avoid [common mode failure](#).
2. Individual and group initiative is given maximum scope to solve problems.
3. The systemic problem of [moral hazard](#) is largely avoided. In particular, the vexing problem of atrophied local initiative/responsibility is avoided.

He writes that the negative effects of a political/economic system governed by the principle of subsidiarity include:

1. When a genuine principle of liberty is recognized by a higher political entity but not all subsidiary entities, implementation of that principle can be delayed at the more local level.
2. When a genuinely efficacious economic principle is recognized by a higher political entity, but not all subsidiary entities, implementation of that principle can be delayed at the more local level.
3. In areas where the local use of common resources has a broad regional, or even global, impact (such as in the generation of pollutants), higher levels of authority may have a natural mandate to supersede local authority.⁶

2 Historical Origins of the Separation of Powers Doctrine

The foundation of our republican form of government is the notion of “separation of powers”. In the legal field, this is called “the separation of powers doctrine”. The U.S. Supreme Court confirmed the purpose of the separation of powers doctrine in the cases below:

“The leading Framers of our Constitution viewed the principle of separation of powers as the central guarantee of a just government. James Madison put it this way: “No political truth is certainly of greater intrinsic value or is stamped with the authority of more enlightened patrons of liberty.” The Federalist No. 47, p. 324 (J. Cooke ed.1961).”
[Freytag v. Commissioner, 501 U.S. 868 (1991)]

“In Europe, the Executive is almost synonymous with the Sovereign power of a State; and, generally, includes legislative and judicial authority. When, therefore, writers speak of the sovereign, it is not necessarily in exclusion of the judiciary; and it will often be found, that when the Executive affords a remedy for any wrong, it is nothing more than by an exercise of its judicial authority. Such is the condition of power in that quarter of the world, where it is too commonly acquired by force, or fraud, or both, and seldom by compact. In America, however, the case is widely different. Our government is founded upon compact. Sovereignty was, and is, in the
