THE NEW AMERICAN CIVIL RELIGION  
(The Matrix UNLOADED)***

*"Woe to him who builds his house by unrighteousness and his [upper] chambers by injustice, who uses his neighbor's service [labor, property, or tax revenues plundered from him without his consent] without wages and does not give him [ALL of] his pay [for his work]"*  
*[Jeremiah 22:13, Bible, Amplified Edition]*

*"Welcome to Amerika, Comrade: Land of the [franchise] fee and home of the [debt] slave."*

## DEDICATION

“With respect to the words general welfare, I have always regarded them as qualified by the detail of powers connected with them. To take them in a literal and unlimited sense would be a metamorphosis of the Constitution into a character which there is a host of proofs was not contemplated by its creator.”

**“If Congress can employ money indefinitely to the general welfare, and are the sole and supreme judges of the general welfare, they may take the care of religion into their own hands; they may appoint teachers in every State, county and parish and pay them out of their public treasury; they may take into their own hands the education of children, establishing in like manner schools throughout the Union; they may assume the provision of the poor; they may undertake the regulation of all roads other than post-roads; in short, every thing, from the highest object of state legislation down to the most minute object of police, would be thrown under the power of Congress.... Were the power of Congress to be established in the latitude contended for, it would subvert the very foundations, and transmute the very nature of the limited Government established by the people of America.”**

“If Congress can do whatever in their discretion can be done by money, and will promote the general welfare, the government is no longer a limited one possessing enumerated powers, but an indefinite one subject to particular exceptions.”

[James Madison. House of Representatives, February 7, 1792, On the Cod Fishery Bill, granting Bounties; More quotes like this later in section 5.1]

---

**“For the love of money [and even government “benefits”, which are payments] is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows. But thou, O man of God, flee these things; and follow after righteousness, godliness, faith, love, patience, meekness. Fight the good fight of faith, lay hold on eternal life, whereunto thou art also called. and hast professed a good profession before many witnesses.”**

[1 Timothy 6:5-12, Bible, NKJV]

---

“A tax, in the general understanding of the term and as used in the constitution, signifies an exaction for the support of the government. The word has never thought to connote the expropriation of money from one group for the benefit of another.”

[U.S. v. Butler, [297 U.S. 1](#) (1936)]

---

**“To lay with one hand the power of government on the property of the citizen, and with the other to bestow it on favored individuals.. is none the less robbery because it is done under the forms of law and is called taxation. This is not legislation. It is a decree under legislative forms.”**

[Loan Association v. Topeka, 20 Wall. 655 (1874)]

---

“The present **assault upon [THEFT of] capital** [by a corrupted socialist government] is but the beginning. **It will be but the stepping stone to others larger and more sweeping**, until our political contest will become war of the poor against the rich; a war of growing intensity and bitterness. [. . .]

The legislation, in the discrimination it makes, is class legislation. Whenever a distinction is made in the burdens a law imposes or in the benefits it confers on any citizens by reason of their birth, or wealth, or religion, it is class legislation, and leads inevitably to oppression and abuses, and to general unrest and disturbance in society.”

[Pollock v. Farmers’ Loan and Trust, [157 U.S. 429](#) (1895) ]

---

“Where do wars and fights come from among you? **Do they not come from your desires for pleasure [unearned money from the government] that war in your members [and your democratic governments]? You lust [after other people’s money] and do not have.** You murder [the unborn to increase your standard of living] and covet [the unearned] and cannot obtain [except by empowering your government to STEAL for you!]. You fight and war [against the rich and the nontaxpayers to subsidize your idleness]. Yet you do not have because you do not ask [the Lord, but instead ask the deceitful government]. You ask and do not receive, because you ask amiss, that you may spend it on your pleasures. **Adulterers and adulteresses! Do you not know that friendship with the world for the**

**governments of the world] is enmity with God?** Whoever therefore wants to be a friend of the world [or the governments of the world] makes himself an enemy of God.”  
[James 4:4, Bible, NKJV]

---

“The king establishes the land by justice, But he who receives bribes [[socialist handouts](#), government "benefits", or [PLUNDER stolen from nontaxpayers](#)] overthrows it.”  
[Prov. 29:4, Bible, NKJV]

---

“Liberal: a power worshipper without power.”  
[George Orwell]

“Man is the only creature that consumes without producing. He does not give milk, he does not lay eggs, he is too weak to pull the plough, he cannot run fast enough to catch rabbits. Yet he is lord of all the animals.”  
[George Orwell]

“Nationalism is power hunger tempered by self-deception.”  
[George Orwell]

“The nationalist not only does not disapprove of atrocities committed by his own side, but he has a remarkable capacity for not even hearing about them.”  
[George Orwell]

---

“When you [a government worker] saw a thief [a socialist voter or a covetous judge or Congressman], you consented with him [by your silence, inaction, and sin of omission],  
And have [thereby] been a partaker with adulterers [thieves and [government idolaters](#)].  
You give your mouth to evil [slander and [presumption](#) and prejudice in open court],  
And your tongue frames deceit [constructive [fraud in the tax "code"](#) or the MISinterpretation of that code by the judge or the [IRS publications](#)].  
You sit and speak against [slander] your brother [fellow American "nontaxpayer" in front of naive jurists who have been propagandized in the government schools to wrongfully trust government];  
You slander your own mother's son.  
These things you have done, and I [God] kept silent;  
You thought that I was altogether like you;  
**But I [and my servants and followers] will rebuke you,  
And set them in order before your eyes.**”  
[Psalm 50:18-21, Bible, NKJV]

---

“**Ineptocracy (in-ep-toe'-ra-cy)** - a system of government where the least capable to lead are elected by the least capable of producing, and where the members of society least likely to sustain themselves or succeed, are rewarded with goods and services paid for by the confiscated wealth of a diminishing number of producers.  
Synonyms: Electile dysfunction.”  
[SEDM Political Dictionary]

---

**“Money is the barometer of a society's virtue. When you see that trading is done, not by consent, but by compulsion--when you see that in order to produce, you need to obtain permission from men who produce nothing--when you see that money is flowing to those who deal, not in goods, but in favors--when you see that men get richer by graft and by pull than by work, and your laws don't protect you against them, but protect them against you--when you see corruption being rewarded and honesty becoming a self-sacrifice--you may know that your society is doomed.** Money is so noble a medium that it does not compete with guns and it does not make terms with brutality. It will not permit a country to survive as half-property, half-loot.”

**“Whenever destroyers [the IRS, the Federal Reserve, and a corrupted Judiciary] appear among men, they start by destroying money, for money is men's protection and the base of a moral existence.** Destroyers seize gold and leave to its owners a counterfeit pile of paper. This kills all objective standards and delivers men into the arbitrary power of an arbitrary setter of values. Gold was an objective value, an equivalent of wealth produced. Paper is a mortgage on wealth that does not exist, backed by a gun aimed at those who are expected to produce it. **Paper is a check drawn by legal looters upon an account which is not theirs: upon the virtue of the victims. Watch for the day when it becomes, marked: 'Account overdrawn.'**”

*"When you have made evil [government looting through fraud, obfuscation and complication of the tax laws, and through vote for sugar-daddies who promise loot] the means of survival, do not expect men to remain good. Do not expect them to stay moral and lose their lives for the purpose of becoming the fodder of the immoral. Do not expect them to produce, when production is punished and looting rewarded. **Do not ask, 'Who is destroying the world?' You are.**"*

## 1 Introduction

This document describes Socialism as a state-sponsored religion. Socialism, like Communism and Fascism and Nazism, is a form of Collectivism:

*Collectivism: a political or economic theory advocating collective control [e.g. OWNERSHIP] esp. over production and distribution or a system marked by such control.  
[Webster's Ninth New Collegiate Dictionary, 1983, ISBN 0-87779-510-X, p. 259]*

Every reference to socialism in this document therefore relates indirectly to Collectivism as well. For a fascinating treatment of collectivism, see the following resources on our website:

3. *Policy Document: Problems with Atheistic Anarchism*, Form #08.020  
<http://sedm.org/Forms/FormIndex.htm>

This memorandum of law will prove the following facts using exhaustive legal authorities that:

1. In the United States, government has become a Civil Religion, in violation of the First Amendment.
2. This Civil Religion:
  - 2.1. Glorifies men and creations of men instead of the true and living and Sovereign God.
  - 2.2. Elevates the rights of the collective above and superior to the rights of the individual.
  - 2.3. Is founded in socialism.
  - 2.4. Has the purpose of destroying self-government and transferring all sovereignty to a central government.
  - 2.5. Is based on democracy rather than a republican form of government.
  - 2.6. Bases its law system on the will of the collective majority rather than the absolute unchanging laws of God, and therefore worships men rather than God.

*Law is in every culture religious in origin. Because law governs man and society, because it establishes and declares the meaning of justice and righteousness, law is inescapably religious, in that it establishes in practical fashion the ultimate concerns of a culture. Accordingly, a fundamental and necessary premise in any and every study of law must be, first, a recognition of this religious nature of law.*

*Second, it must be recognized that in any culture the source of law is the god of that society. If law has its source in man's reason, then reason is the god of that society. If the source is an oligarchy, or in a court, senate, or ruler, then that source is the god of that system.  
[The Institutes of Biblical Law, Rousas John Rushdoony, 1973, pp. 4-5, Emphasis added]*

- 2.7. Is a violation of the first four commandments of the Ten Commandments, which prohibit idolatry towards anything but the one true and living God. See Exodus 20 for the Ten Commandments.
- 2.8. Satisfies all the technical criteria for being a religion.

3. The basis of socialism is government ownership or at least direct or indirect control of all property.
4. Socialism is simply an intermediate step on the road to communism. It is communism in its milder form.
5. In the case of the U.S. brand of socialism, government ownership or control of all private property is implemented by making it into property devoted to a “public purpose” and those managing it into “public employees” or “public officers”.
6. The laws and history of this country repudiate communism.
7. The Bible forbids Christians to be socialists.
8. Participation in the Civil Religion is controlled and regulated by:
  - 8.1. The Social Security Number or Taxpayer Identification Number.
  - 8.2. Participation in government franchises.
9. Personal income taxation is the main vehicle which perpetuates the Civil Religion.
10. The existence and true nature of this Civil Religion is a carefully guarded secret in the federal courts and the legal profession.
11. Courts are the “Church” of this civil religion.
12. Judges of the Supreme Court are the “Chief Priests” of this civil religion.
13. Attorney licensing is a method of “ordaining” new members into this civil religion, because the “Chief Priests” in the supreme court are the ones who do the “ordaining”.
14. A “license”, which is an ordination, to “practice law” from the “Chief Priests” is the method by which “Deacons”, are ordained into the religion so that they are qualified to conduct “worship services” in the state “Church”, which is the Court.
15. Court hearings function as the “worship services” for the civil religion and the jury are the church choir that entertains the priest and the congregation in attendance by doing as they are told by the judge.
16. Our public servants have turned “law” from an instrument of justice to protect PRIVATE individual rights to an instrument of propaganda, usurpation, and conquest that protects only collective property and rights, also called “public rights”. They have done this by falsely portraying what is actually “private law” as “public law” and thereby deceiving sovereign and free people into obedience to PRIVATE laws that otherwise have no jurisdiction upon them. This deception is the heart of collectivism itself.
17. The United States national and state governments over the last 100 years have transitioned from the role of “protector” to “predator” and are no longer entitled to our allegiance, domicile, obedience, subsidy, support, or obedience because of the above facts.

This memorandum is intended to be useful to those who do not wish to participate in this Civil Religion, so that they may avoid the gravest sin in the Bible, which is that of idolatry, as described in the first four commandments of the Ten Commandments. The idolatry being avoided is idolatry towards governments, kings, and civil rulers. It will also be helpful as an evidentiary device should you wish to confront the state in court to expose and eliminate the state sponsored religion described here.

This memorandum builds on the following memorandum, in which we show in general how governments establish themselves as a civil religion generally.

*Government Establishment of Religion*, Form #05.038

In this memorandum, we will use the analysis in the above document to prove exactly WHAT type of religion the government in America has established, how it was established, and all the evidence we can find to prove all the propositions described above.
